RESTORE PLAY GOAL ACHIEVED

Good Sports successfully achieved its Restore Play goal, of donating $15 million in equipment to thousands of youth organizations across the country, who have suffered tremendous setbacks during the COVID-19 pandemic. This is a monumental accomplishment that would not have been possible without all the generosity and dedication of our partners and donors.

INTRODUCTION OF SHE WHO PLAYS

Girls are dropping out of sports at twice the rate of boys by age 14, and that’s why Good Sports created, “She Who Plays,” an initiative designed to support new and equitable access to sport for girls nationwide. Since launching She Who Plays, Good Sports has donated over $3.8 million in girls focused equipment.
